BIO

KUNN & THE MAGIC MUFFINS are straight from Luxembourg and play a fine blend of SUNDAY-SKA. Why SUNDAY-SKA ?? Imagine yourself on a sunday afternoon, after a tough week, just wanting to chill and keep it all easy going. Well this is exactly the feeling Kunn & the Magic Muffins want you to experience while listening to the special blend of Ska.

Take it easy and enjoy...some call it rocksteady, some call it northern soul, some jazz, we play it all. You won't find the typical off-beat all over but also samba, tango, waltz and other rythms that make your booty shake..

Founded in early 2003 by 3 persons Kunn & the Magic Muffins soon managed to find 7 more people passionated by music.

In October 2003 they played the very first gig together with the local Ska heroes TOXKÄPP in front of 250 people. Only 2 months later Kunn & the Magic Muffins played with the famous SLACKERS at Kulturfabrik in front of 650 ska-fans, this beeing only the 4th gig ever.

Later in 2004 Kunn & the Magic Muffins released a split CD Live@Kulturfabrik featuring THE SLACKERS, Toxkäpp and P.O.Box, released on Winged Skull Records Luxembourg and EPITAPH
